HEAVY LEGS!

She Once Had
Now Has Slender Hips, Thighs, Knees, Calves and Ankles!

*"As You Can See, There is a Decided
Difference... I Can't Thank You Enough"*

—writes Miss B. S., Flushing, N.Y.

The most encouraging news for women with fat, flabby legs has just been revealed by Henry Milchtein, Ph.D. If your heavy legs are due to normal causes and you haven't any disease or pathological condition, you should try to attain the slender, alluring legs you've always wanted. This well-known physiotherapist, who was President of the Metropolitan School of Physiotherapy, has an enviable record of helping lovely stage and screen actresses as well as women like yourself to mold beautiful legs. Over a period of over 30 years, he has used an amazingly natural method which is unsurpassed by anything we have ever seen.

ORDINARY METHODS FOUND TO HELP LITTLE IN SLENDERIZING HEAVY LEGS

Many women engaged in improper strenuous exercises and calisthenics used up a lot of time and energy but it did next to nothing for concentrating on trimming down heavy legs.

Other women actually tried reducing diets alone to slenderize heavy legs. Since a weight reducing diet cannot be made to take weight off any single part of your body, you may lose weight everywhere but in your legs. And if your legs lost a little weight, no drug or diet can normalize and firm the entire contour, which would remain flabby. This method does concentrate on slenderizing each section of your legs from the hips to the ankles.

IN MANY CASES DOCTORS ADVISE USE OF THIS TECHNIQUE

This progressive scientific method for slenderizing heavy legs is based on the knowledge and experience of the medical profession, physiotherapists and famous body contour experts throughout the world.

Your heavy flabby legs are usually caused by fatty layers and too much muscle tissue which stretch the muscles of your legs and cause them to bulge.

To help correct this condition properly, you should try this scientific system planned to concentrate on each section of your legs, help break down fatty layers and extra bulging muscle tissue and help strengthen and normalize the muscle tone which makes the contour of the legs more normal, firm, slender and attractive. When each section of the leg has its proper normal shape, the bulging hips possess streamlined, youthful lines which men admire, the flabby thighs are trimmed down into an attractive contour, ugly knees are daintily shaped without puffed-up pouches of flesh, the heavy calves take on more slenderized, alluring curves and even the heavy ankles show sleek, graceful lines.

AFTER

Look at the firmer, slender curves of her legs now. She writes that the change was apparent even before she finished this method.

BEFORE

Miss B. S. had heavy, flabby legs, was self-conscious because her legs spoiled her entire figure.

"ALL AROUND GLAMOUR LEGS" HELP WOMEN IN EVERYTHING THEY DO

Most figure experts agree that heavy legs spoil an otherwise shapely figure... while nicely slenderized limbs add an appearance of over-all beauty to even the heavy and average figure. Because the legs are the one part of the body which always shows, glamorous legs help you look better in any clothes you wear — dresses, skirts, sports and play clothes, bathing suits, etc. They make you a more desirable dance partner and help you do the latest steps more gracefully. Well-formed, firm legs help you in all sports; then enable you to swim, skate, bowl, play tennis, etc., with more ease and better form. They help you walk and stand with ease, with the posture which always wins admiration. Removing excess flabbiness and strengthening your legs will give you more energy for work or play, help lessen fatigue, especially when your job or housework keeps you on your feet.

TESTED AND PROVEN METHOD REQUIRES ONLY 15 PLEASANT MINUTES A DAY!

This amazing method has been used by beautiful stage and screen stars, professional models and women in every walk of life. Thousands have gladly paid high fees for personal instruction here in New York City. Now this famous expert makes it possible for any woman to try his method, requiring only 15 minutes a day, right in the comfort and privacy of her own home at a tiny fraction of this cost.

You get the complete, easy, step-by-step illustrated SCIENTIFIC LEG SLENDERIZING TECHNIQUE with simple instructions for fat, flabby hips, thighs, knees, calves, ankles; gaining firmer, stronger legs; improving skin tone and circulation in legs; normal causes of heavy legs; plus measurement chart for each section of leg according to height and weight; also, how leg slenderizing may improve general health. Mail coupon TODAY!

WRITTEN ABOUT IN LEADING HEALTH MAGAZINE

HEALTH CULTURE asked this authority on legs to write a series of articles on the fundamentals of this method. This magazine rightly believed that their readers should know about this wonderful technique. Many other leading magazines and newspapers have written about the priceless advantages of correct leg contour and strength.

SEE HOW THIS TECHNIQUE HELPED JUST A FEW OF THE MANY OTHERS!

"Never before have I been able to wear shorts and play suits... Now I get many compliments, thanks to your course. This is what your course did for my stout legs."
—Miss S. McN., Cloplint, Ky.

"I thought your course was just wonderful! It is really the best for acquiring more slender, graceful legs. I made a great deal of progress with your course, and would recommend it to anyone who wants lovelier legs."
—Miss A. C., Drumright, Okla.

COOKIE TO THE RESCUE

ALANA ROBERSON wasn't happy at all. This was especially so because it already was Thursday, and she didn't have a date for the annual dance on Saturday night. Probably she'd have to accept the invitation of Fats Morris, the pudgy pest who sat in back of her in History class, if she wanted to go at all. Actually, though, Alana didn't feel much like being at the school shindig, now that she found out that Jim had asked Cookie Smith to be his date on that very important occasion.

"That Cookie Smith!" Alana grumbled under her breath, "... she's got a way with Jim. Got him tied around her little finger. I'll have to break up that friendship one of these days. She's nothing but an ugly duckling, while daddy says he thinks I should be on magazine covers or in the movies with the face and figure I've got!"

Obviously, Alana didn't like Cookie, nor did she like the fact that Jim was stuck on Cookie. But, she thought, she'd accept that disgusting Fats Morris' invitation. At least she'd have a chance to snare a few dances with Jim. Maybe if she played it right, she'd even manage to get Jim to take her home. She'd leave Cookie for Fats. That might be a very funny sight.

Saturday came around, and so did Fats. Alana nearly choked when Fats came adoringly with a bunch of violets tucked in his perspiring hand. She conveniently placed them on the couch, and even more conveniently forgot they were there when she sat down right on the poor violets and crushed them. Imagine, being seen at such an important dance with Fats' Morris' violets pinned to her waist! She pulled

Fats toward the front door flinging a jacket over her shoulders.

"Sorry about the . . . violets, Fats. Try dandelions next time. Much more hardy, I understand!" she sneered.

They arrived at the dance just as Jim was helping Cookie from his car. Cookie had had the nerve to wear the same gown she'd worn to the last two dances. Why, it looked positively worn!

Alana knew that Cookie was right behind her in the powder room as she exclaimed to another girl standing next to her at the long mirror, "Why, my daddy's a peach. He simply insists he won't have his beautiful daughter being seen in the same seventy-five dollar gown at two dances. Family pride, you know!"

Cookie left, apparently undisturbed by the biting remarks, and Alana entered the large room where others were dancing just as Jim took Cookie's arm.

"Gosh, honey," he was saying, "You could wear the same gown a hundred times and look more beautiful in it each time. You sure are a living doll!"

"A living doll, eh?" Alana mumbled, watching them head for the punch bowl. "His compliments are ever so corny. She looks more like a walking ghoul!"

Alana couldn't stand the thought that Jim could admire such a dowdy frizzle of a girl when he had a beautiful angel like herself just waiting to be dated. One of life's little mysteries, she supposed.

"Can't he ever do anything but admire that Cookie?" Alana scowled, as Fats pulled her around the dance floor in what he must have thought was in

time to the music. She couldn't keep her eyes or ears off Cookie and Jim as they danced by. She felt her foot go numb with rage, until she realized Fats was stepping on it.

She was watching them, too, when the little accident occurred. She saw Cookie accidentally drop her evening bag. Jim bent down to pick it up and Cookie did the same. The resounding thud stopped the music dead. First there was a stunned silence as the couple slumped to the floor, dazed. But, as luck would have it, Miss Franklin, the school nurse, was also at the dance, and after a quick dash to the first-aid room, was back with smelling salts and bandages.

Alana couldn't resist the crowd that gathered about Jim and Cookie later, but what she heard Cookie and Jim saying made her wish they were both still lying dazed on the dance floor. Apparently Cookie and Jim, impressed no end by Miss Franklin's skill, were discussing the nursing profession.

"Cookie," Jim was saying, smiling at the girl next to him, "You'd make a wonderful nurse, just like Miss Franklin. I'm glad you've decided to follow in her footsteps. I'm proud of you!"

Alana turned away, when Jim planted a sugar-sweet kiss on Cookie's nose.

"So now she's going to be a nurse, is she?" Alana thought, trying to devise a plot. "Another Florence Nightingale he'll consider her. Well, if it's the last thing I do, I'm going to show that Jim Barnes how sweet, kindly and efficient little Alana can be. Then maybe he'll realize that I'm around. Once that happens, he won't know what he ever saw in Cookie Smith!"

ELVIS PRESLEY

DEBBIE REYNOLDS

TAB HUNTER

She couldn't wait until daddy got out of bed the next morning, so she could tell him what she had planned. When she saw him walking sleepily toward the kitchen, she sprang upon him and hugged him wildly.

"And to what do I owe this burst of affection from my beautiful, talented daughter, may I ask?" he questioned, knowing too well that she was about to ask him a favor.

"Daddy, dear, why don't you get back into bed? You need a rest once in a while. You work so-o-o-o hard!" Alana beamed lovingly.

Alana prepared a beautiful breakfast and served it to her astounded father on a tray as he sat, propped up, against a pillow in his bed. Then she told him her plan.

"You see, pops, it's like this. That miserable gal Cookie, the one that Jimmy Barnes is always admiring, mentioned that she wants to be a nurse, and he just gobbled it up like honey. Maybe, if I can show him what a kindly, noble, unselfish nurse I can be, he wouldn't see that Cookie for mud, and he'd begin to pay attention to me. Now all you have to do . . ."

Within ten minutes, at ten-thirty in the morning, Jim Barnes was answering his telephone. He wasn't surprised to hear Alana's voice, as she often phoned him, just to talk about nothing in particular.

"What? You say your father is deathly ill? The doctor says he must have absolute rest and excellent nursing care if he expects to live another three or four years?" Jim asked, trying to make out Alana's excited words.

"It's true, Jimmy boy! And the doctor and dad both insisted that I be his nurse, as it would be best to have me as close to him as possible, to make his last

days happier. I . . . (sob) feel just dreadful! I'm . . . so lonesome, Jim . . . can't you come . . . and try to lift my spirits . . . just a l-little?" Alana cried.

Jim hung up hurriedly and phoned Cookie, with whom he had a tennis date at eleven.

"Cookie, please forgive me . . . it's an emergency. It's Alana . . . no fooling, her dad's practically on his deathbed. She's in a terrible state, and pleaded with me to bolster her courage. If I don't go, I'm afraid she'll do something . . . desperate!"

Understandingly, Cookie agreed that he must go and help poor Alana. When Jim reached the Roberson house, he found the door open, and walked in. Alana was standing before him, wringing a very moist handkerchief.

"I didn't want the bell to . . . disturb him!" she explained, in a sad-sounding whisper. "He's in bed, so terribly ill! W-would you like to . . . pay your respects, Jim?"

He tiptoed up the stairs behind Alana, and crept toward Mr. Roberson's room. The house seemed shrouded with gloom. When he heard the moan, he shrank back, terrified of the sound that was much like a death-rattle.

Mr. Roberson was choking out the words, "... w-water, Alana. W-water, please. Oooooohh, my heart, my poor heart. H-hurry."

Alana ran to the bathroom for the water, cautioning Jim to remove his shoes, lest his footsteps disturb her father. He took them off carefully and placed them in front of the staircase. As he walked into the darkened room, he saw Alana's father stretched out on the bed, medicine bottles all about him. He was still moaning.

"Oooooohhh, my heart. Alana, I'm . . . so terribly cold. Hot broth . . . please get me some hot broth.

I feel weaker every moment!"

Alana gave a saddened look and left the room to get the broth from the kitchen downstairs.

The crash resounded throughout the house, and Alana's screech pierced the deadly silence. In a flash, both Jim and Mr. Roberson were at the foot of the staircase, trying to revive Alana, who had tripped over Jim's shoes and gone plunging downward.

"D . . . do something, boy!" her father was screaming. "She's knocked out. Call someone!"

Jim was stunned. "Cookie! She's been studying up on First Aid all this morning. She'll know what to do!" He ran to the phone to call Cookie, then stopped dead.

"Mr. R-Roberson! You're not s-sick. You're n-not dying!"

"You nincompoop!" Mr. Roberson shouted back. "It was just a trick to get you to appreciate Alana. Never mind that now . . . call that girl . . . whatever her name is . . . Cookie!"

Cookie was there within ten minutes, first aid book in one hand, and bandages and iodine in the other. Soon she revived Alana, then carefully and efficiently patched up the few scratches and bruises on Alana's aching elbows and knees.

When the excitement had died down, Mr. Roberson's relief prompted him to tell the whole story.

"But in any case, everything's fine now, thanks to Cookie," Mr. Roberson smiled. "You're really quite a young lady, Miss Nightingale."

Jim nodded. "Yep! That's my girl. I think I'm going to be very proud of her as a nurse!"

Mr. Roberson said, "I think she's a fine girl!"

And, rubbing her elbows, Alana looked up at the happy threesome, turned colors and said, ". . . and I think I'm going to be sick!"

**You, Too, Can Play Your Favorite Instrument —

WHY are you cheating yourself of the thrills of playing music? You can't afford private lessons? It would take "too long" to learn?

Over 900,000 people have found a simple answer. One of them was Lawrence Welk. Early in life he showed a love of music, and was rewarded with a modern accordion. He enrolled in the home study Course of the U. S. School and was soon playing by note. Thus he started on the road to the present triumph of his "Champagne Music" on ABC-TV.

What Music Can Do for You

You may simply want to play for the sheer joy of it. The fun of entertaining friends at parties.

Regardless of what YOU want out of music, here's the easy way to get it! In just a few weeks, you can be playing REAL MUSIC on your favorite instrument. Not by any "trick" method. But actually reading and playing real sheet music—so confident-

ly your friends will be amazed!
